BELL PARK SPORTS & RECREATION CLUB

SOFTBALL SECTION

SECRETARY'S REPORT:

The 1987/88 season saw us enter 4 senior sides, A, AZ, B, & D. and 4 junior sides, T.Ball, U12(1), U12(2), U14 girls and a combined Bell Park/All Stars U14 boys. We seemed to struggle with numbers through out the season and this was more prominent in the juniors and resulted in the withdrawal of U12(2) and U14 girls being short most weeks. Despite this we had A, AZ B, U12(1) U14(g) and U14(b) play off in the finals. The A grade made it through to the Grand Final and fought it out to a nail biting finish only to be beaten by 1 run in the bottom of the 7th innings .

Bell Park showed their strength and talent with several senior and junior players representing us in GSA Tournament Teams. GSA Tournament Trophy winners from Bell Park were J.Wasik - U 12 boys, Vickii Myhre - open and Lisa Irving - most valuable player in Tournament.

It was pleasing to see the tireless efforts of those few who ran the Counter Teas for us. Due to their hard work there was not a great deal of pressur put on the rest of the club to do much in the way of serious fundraising.

Equipment: Once the purchase of numerous throw ball was made, all grades were well equipped with exception of batting helmets and with 2 being broken during the season there will be a need to purchase some more for the coming season.

Mick is keeping all the equipment in his garage.

On a final note I would like to Thank Mick and the rest of the committee for their support. I feel every player should think seriously about taking on a committee position, if only to experience the difficulties in the running of a club, therefore making them more aware of the necessity of good CLUBMANSHIP.

I hope to see the return of all player and coaches plus many new faces for the 1988/89 season.

Doni Ward

Secretary.
